ABOUT PROPERTYGURU ASIA PROPERTY AWARDS:

PropertyGuru's Asia Property Awards, established in 2005, are the region's most exclusive and prestigious real estate awards programme. The Asia Property Awards are recognised as the ultimate hallmark of excellence in the Asian property sector. Boasting an independent panel of industry experts and trusted supervisors, the Awards have an unparalleled reputation for being credible, ethical, fair and transparent.

In 2022, the Awards series is open to more than a dozen key property markets around the region. The exciting gala events welcome senior industry leaders and top media, as well as reach property agents and consumers via live streaming. Recognising excellence within each Asian market with a variety of categories, including green and sustainable development, each local awards programme will culminate in the PropertyGuru Asia Property Awards Grand Final, which takes place after the PropertyGuru Asia Real Estate Summit during 'PropertyGuru Week' in December 2022.
